## *From the Desk of Chairman...*

*“ I judge the children not by the answers they give but by the questions they ask. ”*

Proper education refers to an overall development of a child in respect of his/her mental, physical & spiritual development. CPS is committed to providing high-end education to students of the city, Bareilly. Excellent teachers are at the heart of this outstanding school to fulfill it. The focus on learning and innovation and appreciation of diversity that pervades the school are reflected in this reputed educational institute. We feel privileged to be part of a community that is professional, ambitious, dynamic, and caring. Optimal student-teacher ratios and in-class specialist support further help in providing opportunities for collaborative interactions in small groups in authentic inquiry and meaningful discussion.

One of our aims is to keep parents informed of their ward's educational journey.

Students and teachers feel at ease in the school and appreciate working with each other. The academics, social care, and advisory services are provided by advisors, counselors, teachers, and administration. We work together closely with parents to ensure the best possible environment for our students.

Dr. R.K. Sharma, Director General, brings a wealth of experience and knowledge to the position and he is working with each other. The academic, social, and emotional development of each student is monitored very carefully by advisors, counselors, teachers, and administration. We work together closely with parents to ensure the best possible environment for our students.

Dr. R.K. Sharma, Director General, brings a wealth of experience and knowledge to the position and he is working along with the principal and staff to enhance the quality of education in this school.

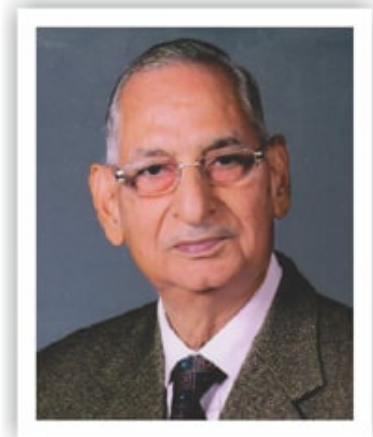

Luckily, we have got him to give us his experienced consultation on different issues.

With Best Wishes

*Shiv Kumar*

### *Celebrate Excellence*

The middle years are time for growth, challenge and discovery. At CPS, we encourage and prepare students to participate fully, to take risks, to be self-advocates, and to create lasting memories and relationship with peers and staff.

Our goal at CPS is to provide an enriching, engaging and challenging curriculum that will prepare students for success while at CPS and for the years that follow.

Students are encouraged to take advantage of the many resources and opportunities available to them.

At CPS, we recognize that social and emotional development is as essential to student success as academics. We are going to continue our advisory programme called SAIL- Success, Achievement, Independence, Leadership. During SAIL, Small groups of students meet monthly with a certified faculty member to explore middle school topics like self-advocacy, respect, friendship and kindness. our goal is to provide a time for students to build connections with teachers and peers and to build a stronger sense of community and ownership at CPS.

Active parent participation is essential to our success. We always welcome your contact anytime. Teachers provide a nurturing environment in which young adolescents can learn, take risks and thrive....

With Best Whshes

Dr. R.K. Sharma  
Director General
